**Follow up inspection at Jokari-Krampe GmbH, An der Vogelrute 34, 59387
Ascheberg, Germany**

Dear Mr. Kruppke,

Our inspector, Mr. Thomas Schäfer, conducted the Follow up inspection at your factory named above on 2024-03-19. During this inspection quality assurance measures aimed at assuring consistent production quality were checked as required in § 20 of the German Product Safety Act (Produktsicherheitsgesetz) and in our Testing and Certification Regulation.

Our inspection produced the following result:

During the inspection it was determined that your implemented quality assurance system can ensure that manufactured products can comply with the type submitted for certification.

The next periodical Follow-up inspection will be necessary in 12 months.

We will be contacting you in good time to arrange a suitable appointment.

Best regards,

19.03.2024
